POEM
by
Margaret Fabens Vermilya

A white gull lazes o'er a wave,
The lighthouse green is clear,
A breeze comes whispering through the grass,
A summer night is here.

Close the sailboats ride the tide
While dancers round-de-lay;
The seas come up to meet the shore
And kiss the close of day.

Thus earth and sea and man are one
In rapture and in peace;
And if the world could pause at dusk,
Then strife would surely cease.

THREE LOCAL RESIDENTS ON STAFF OF THE NEW BEDFORD PUBLIC LIBRARY

Miss Alice Noel and her sister, Loretta are living in their home on Route 6 in Mattapoisett. Miss Alice Noel has recently returned to Mattapoisett from New York where she has lived for the last two years. Besides working on the staff of the New Bedford Public Library, she is the director of the WBSM program French Family Hour on Sunday from 1:15 to 2:15. The program is entirely in the french language and feature some very beautiful music and interesting lectures. She is a graduate of LaValle College in Montreal, Canada.

Mrs. Robert Richards, formerly Miss Anne Allen, of Water St. also is on the New Bedford library staff. She is a graduate of Beaver College, Pa. Mr. & Mrs. Richards are comparatively new residents and enthusiastic ones. They have recently acquired a sailboat to enjoy the Mattapoisett harbor sailing. Mr. Richards is on the staff of the Standard Times. Welcome to Mattapoisett.

Miss Marion R. W. Callanan, a graduate of Boston University, who lives at her home on Maple Lane off Route 6, is also a member of the Library staff. She is an amateur landscape painter and paints under the name of Marion Rose Hicks. She has painted at Burr Boat Yard and the Lighthouse and is very anxious to start on our very scenic wharf.

MR. BAUER RECOVERING FROM ILLNESS

Mr. Joseph Bauer, Mattapoisett police officer, who is well known to all of us who use the bathing beach and pass the school, is recovering from his illness at St. Lukes Hospital. We are very happy to learn that he is coming along well and know that all of his friends will be happy also. Hope to see him back on the beach in the near future.

RED ALERT

On July 9th, Friday the Mattapoisett Civil Defense received a red alert which lasted until 2 P. M. Sunday afternoon. During this interval 95 planes were spotted and reported to the filter center in Manchester, N. H. This could have been the real thing. Thank God that it was not. To a few, all too few patriotic fellow townsmen, goes the credit for protecting the lives of all of us by piecing out the radar link which can never wholly replace the human eye and brain. Low flying planes blend into the land mass on the radar scope and can only be detected by volunteer plane spotters. In case of attack, we need trained spotters badly to report and identify planes. If you can spare a little of your time for this task, please contact Mr. Joseph Farwell at 8-3744.

Remember, it could have been real July 9th. Protecting you by reporting planes were Chief Operator Ed Andreasen and Cliff Cray. This is a big job for a small staff and they can use some help. Can you spare some time to protect this town and country.

LEFT FOR ALASKA

Mr. & Mrs. Ernest Roberts left Mattapoisett on July 14th for Anchorage, Alaska. Mr. Roberts is in the Air Force and will be stationed in Anchorage for the next 2 years. Mrs. Roberts is the former Judith Eldridge, daughter of Mr. & Mrs. George Eldridge of Church St. The couple were tended a farewell dinner at her parents summer home at Pico Beach.

VISITED RELATIVES

Peter Alan Silva, son of Mr. & Mrs. Mario Silva of Main St., has returned home from visiting his aunt and uncle, Mr. & Mrs. Lester Delano and his cousins in Cranston, Rhode Island. His cousin, David Delano, is spending a vacation here with Mr. & Mrs. Silva and Peter Alan. Mrs. Delano joined them this week.

WEEKEND GUESTS

Mrs. Marion S. Hatton of Beacon St. and Mrs. Edna L. Borden of Marion were weekend guests of Miss Olive M. Niles, former dietician at Tabor Academy, at her home in Charlemont, in the Mohawk Trail area.

On Saturday they were dinner guest of Mr. & Mrs. Frank Niles of Keene, N. H., where Mr. Niles, brother of Miss Niles, is City Clerk, and Mrs. Niles is a teacher.

After dinner at Golden Rod Grange, in West Swanzey, N. H., they attended a presentation by The Swanzey Players of Denman Thompson's play, "The Old Homestead," in an outdoor amphitheatre, known as Potash Bowl, because in colonial days, the settlers took ashes there, to make lye for soap-making. The town was first settled in 1733.

This historic play has been reproduced annually (at the full of the moon) in July, since 1939, except during the war years. About 300 persons participate and their services are gratis. The profits derived are equally divided among the churches of Swanzey, both Catholic and Protestant, and the Community Houses of North Swanzey and East Swanzey. Mr. Niles and his daughter, Rose Marie, a student at Keene Teacher's College, are members of The Old Homestead Band, and Mr. Niles sings in the double quartette.

Among the attendance of over 1500 Saturday night, were persons from Scotland, England, Canada, and from 37 of the United States. It was at this place that Joyce Kilmer wrote the famous poem "Trees."

As Mrs. Hatton is a long-time member and past Chief of the Pythian Sisters, an interesting visit was made to Denman Thompson's home, which is now a Pythian Home, and contains priceless antiques and articles from other countries, collected by Mr. Thompson.

Mrs. Constance Whittaker of Marion is visiting Miss Niles this week, when they will attend concerts at Tanglewood, where Mrs. Whittaker's daughter has received her third scholarship. Miss Niles will return with Mrs. Whittaker and will visit at her home and Mrs. Borden's.

Send the news on scrap paper, by phone, or any method, Mrs. Busse. Thanks for the poem and your news items.

GI BILL BIRTHDAY

June 22nd marked the 10th anniversary of the enactment of The American Legion-sponsored GI Bill of Rights.

Commenting on this anniversary, John Raphael, Commander of the Florence Eastman Post No. 280 of The American Legion of Mattapoisett hailed this Act as the greatest single piece of legislation ever enacted by the Congress.

"The GI Bill," Commander Raphael said, "has accomplished more to promote higher education and home ownership in the United States than any other laws ever passed by the Congress! This Act stands today as one of the greatest monuments to the foresight and alertness of The American Legion!"

Commander Raphael listed some impressive accomplishments of the GI Bill in the 10 years of its existence.

He said to date the GI. Bill has done the following:

1--Enabled some 3,300,000 World War II veterans to buy their own homes.

2--Enabled some 225,000 others to enter into business for themselves.

3--Enabled some 70,000 to purchase farms.

4--Nearly 12,000,000 veterans have applied for schooling and training under the educational provisions of this measure. Of this number nearly 9,000,000 have initiated their schooling or training.

5--Produced for the Nation more than 1,000,00 business and administrative specialists; 750,000 engineers of all kinds; 400,000 teachers; 400,000 liberal arts graduates; 140,000 metal workers; 135,000 lawyers; 125,000 scientists; 50,000 clergymen and other highly trained professional people and artisans.

SOME THOUGHTS OF MINE
FRIENDS AWAY
by Murray Tuttle

It's nice to see the folks again who come from far away
To dear old Mattapoisett, on the shores of Buzzards Bay
They know that they are welcome to enjoy this grand old town
Because the folks are friendly as they have always found.

You come here to get rested from a very busy life
In the cities of the Nation, which are always full of strife
And you can sit and listen to the ocean in its play
Or chat with some old townsman and pass a happy day.

We try to make you welcome in every way we can
We want you to be happy, woman, child or man.
We've got a welcome feeling for the folks who come to stay
And hope you get enjoyment in the waters of the bay.

We feel so very happy when we see the folks again.
We know you must be satisfied, your summers here to spend,
For dear old Mattapoisett, just the same as we all know
Enjoys her summer visitors as she did so long ago.

And when the summers ended and you have gone away
We'll start looking forward, when you'll be back to stay
In dear old Mattapoisett where the Indian once did roam

HELP FOR THE LITTLE LEAGUE

One of the finest group of boys in this town needs your help. They are the Red and Blue Squads representing Mattapoisett in the Capeway Little League and their two farm teams. Several years ago, the Businessmen's Association thought the boys in Mattapoisett should have the same opportunity to play ball as did the boys in surrounding towns. They provided men and money to get the boys organized and were quite surprised at the number of boys who wanted to play. They have been supporting all the Little Leaguers through the aid of their membership; but now the task has become too great.

The Little League in Marion is run by funds provided in Town Meeting. Last year $500. was provided and this year the amount was $1,000. It takes all of that, to provide bats, balls, caps, stockings, pants, shirts, shin guards, batting helmets, catchers masks, scorebooks, bases, pitcher's plate etc. The boys in Mattapoisett do not have half the equipment they need and yet they are playing great ball. Right now, the Red Squad is in third place and the Blues are second in the League standing. The squads have been trading their equipment back and forth each time they play a game. Now they won't be able to do that anymore as the schedule from now to September calls for one team to play at home while the other team plays away. It means the boys have to get another set of equipment and if possible uniforms, because all the boys do not have them.

This weekend the boys are conducting a tag day and every cent of the money will go for them. Every man who remembers his childhood days will be in sympathy with their cause. In the event that you are not contacted or wish to be a patron of the Little Leaguers,
